

TREE PLANTING APPLICATION SPRING 2024

Please use this form for tree planting projects you would like Saugeen Conservation to complete. If you would like to purchase trees yourself, please use the Tree Purchase Form. Trees are typically planted at a spacing of 6' by 8', which allows for approximately 700 trees per acre.

Saugeen Conservation Tree Planting Program is available for projects that are not eligible for a grant program. The landowner is responsible for the full cost of the trees, planting, and spraying. Refer to the tree cost table.

Program Guidelines – Forests Ontario 50 Million Tree Program

- Plant a minimum of 500 trees, on cleared, productive land
- Sign a 15 year agreement to maintain the trees
- Planting may include windbreak or riparian planting
- Delivery agent provides trees, planting and one spray application
- Projects are approved by Forests Ontario
- Maximum contribution is \$2.40/tree; landowner responsible for costs over \$2.40/tree

Tree Costs – price subject to change, shipping and handling included in price. Tax not included.

Species	Cost per tree
White pine	\$1.35
White spruce	\$1.35
Norway spruce	\$1.35
