

Tree Planting Application

Please use this form for tree planting projects that you would like Saugeen Conservation to complete.

If you would like to purchase trees to plant yourself, please use the Tree Purchase form.

Trees are typically planted at a spacing of 6 feet by 8 feet which allows for about 700 trees per acre.

PROGRAM GUIDELINES

Forests Ontario 50 Million Tree Program

- plant a minimum of 500 trees on cleared, productive land
- sign a 15 year agreement to maintain the trees, the planting may include windbreak or riparian planting
- delivery agent provides the trees, planting and one spray application
- projects are approved by Forests Ontario
- maximum program contribution is \$1.36/tree
- landowner is responsible for any extra costs (over \$1.36/tree)

Saugeen Conservation Tree Planting Program

Is available for projects that are not eligible for a grant program however, the landowner is responsible for the full cost of the trees, planting and spraying. Please refer to the table (at left) for trees, planting and spraying costs.

- Please consider this application for a potential tree planting project under the next available program.
- I understand and recognize that tree survival cannot be guaranteed.
- A non-refundable \$100.00 fee must accompany the application form when submitted to be considered for the program.
